

Community at Work Program

Our **Community at Work Banking Program** is designed to provide **Convenience, Reliability** and **Security** in banking services for the employees of organizations and companies within the communities we serve. We think about it as a partnership with individuals who have a stake in their community and are looking to open the doors for personal or business growth. By partnering with Rondout Savings Bank, you can provide your employees with outstanding low-cost financial services to help them achieve their financial goals.

**BANKING
